## PS Valentino Vin Bar

Dear foodies, the new restaurant coming to Hotel Derek promises to be *the* place to see and be seen. P.S.: We hear the food will be fab, too. Italian restaurateur Piero Selvaggio, who runs popular Valentino restaurants in Los Angeles and Las Vegas, is bringing *la dolce vita* to the former bistro moderne space. Valentino will offer two experiences under one chic roof: a fine-dining restaurant and a more casual wine bar where patrons can enjoy small plates and an extensive list of wines by the glass (one of Valentino's strengths). The look will be sophisticated but welcoming. Look for a fall opening from the multiple James Beard Award-winning team of Selvaggio and chef Luciano Pellegrini. *PS Valentino Vin Bar, Hotel Derek, 2525 West Loop South*
